

HRD/RLTR/1152693

25 July 2024

TO WHOMSOEVER IT MAY CONCERN

This letter is to confirm that Ms. **Amritha P, Employee No 1152693** was employed with **Infosys Limited** from **12-Jul-2021** to **18-Jul-2024** as a full-time employee. The designation at the time of resignation/relieving was **Senior Systems Engineer**.

Her major **Roles & Responsibilities** during the employment were as mentioned below:

- Worked as an SSIS Developer in the Supply Chain domain and developed SSIS packages to extract data from different source systems like Teradata, Denodo, CROMA, Impala, etc
- Creation of SQL tables using SSMS, as part of the destination load for staging the data for applications to consume
- Debugging data issues in EDW, such as application data discrepancies with source data, which comprises of sensitive information like supply, sales, billings, and price data of the client
- Analysis of the impact of Common Architecture EOL and worked with application teams to ensure a smooth transition to alternative sources instead of EDW (Teradata)
- As part of Common Architecture EOL, redesign SSIS packages and SSMS tables for data extraction from Azure Snowflake instead of EDW (Teradata). Perform table data push from HANA to the application

The technologies / platforms that she worked on were: SQL server Integration services (SSIS), SQL server Management system (SSMS), Teradata, Azure Snowflake.

This letter is being issued as proof of employment and role confirmation at the request of the employee.

Yours sincerely,

Santhosh Nair
VP – Senior Principal – HR
